## PURPOSE

This dossier evidences that the sound recordings in the Mikage Zenith catalogue are commercially controlled and released by MIKAGE ZENITH STUDIO COMPANY LIMITED, for the purpose of licensing background music playback at commercial premises.

## WHAT THIS DOSSIER CONTAINS

1. A screenshot of the distributor dashboard (TooLost) for the label account "Mikage Zenith Studio", showing 64 releases under the label.
2. Four release-detail screenshots, each showing the UPC, the ISRC, the LABEL field, the C-line and P-line copyright notices, the catalogue number, the release date and the distribution status.

## HOW TO VERIFY INDEPENDENTLY

An ISRC is the international standard identifier for a sound recording. Any third party can look up the ISRCs listed in the accompanying catalogue file on any streaming platform (Spotify, Apple Music, YouTube Music) and confirm that the recording carries the Mikage Zenith Studio label. The full per-track ISRC and UPC list is supplied with the licence agreement.

## COLLECTIVE MANAGEMENT

Mikage Zenith Studio has NOT mandated any collective management organisation for authors’ rights or related rights (VCPMC, RIAV, APPA or equivalent) in respect of this catalogue. Licensees pay Mikage Zenith Studio directly under the recording licence agreement.

## SCOPE OF THIS DOCUMENT

This dossier evidences ownership and release standing of the licensor only. The permitted scope of use for each licensee is set out in the licence agreement and the accompanying Licence Scope Confirmation, and is not to be inferred from this document.
